We are in the process of considering raising the dues for the Chapter. Dues have not been increased since 1990. Our dues right now are \$15 and is the lowest in the district. Of this \$15, \$8 per member goes to Grand Chapter and Eastern Star home for per capita dues to them and .45 per member goes to District Association. Grand Chapter raised the per capita dues a couple of years ago and at that time we did not raise our dues to affect this increase on us. Due to the economic situation, we are finding it hard to meet our necessary expenses.

HAVE A SAFE AND

HAPPY SUMMER
