A delicious BBQ dinner with all the extras was enjoyed by 30 members before our stated meeting. The stated meeting of Mt. Healthy opened in short form. Special recognition was given to our Past Matrons & Past Patrons and other honored members. Three Mt. Healthy members were presented behind our Holy Altar and were presented their 50 year pins. Sunshine collection was taken and Secretary's minutes of the March 8 stated meeting & March 26 inspection were approved. The Treasurer's report was filed for audit. Correspondence took its usual course. Bills were ordered to be paid.

Reports were given by various committees.

Beth Mason of the Speakers Bureau talked about the Children's Learning Center which helps to provide tutoring to children (kindergarten to high school) with dyslexia free of charge. Did you know that there are 13 states with the Children's Learning Center, 11 centers in Ohio which Cincinnati is the only city with two centers?

Chapter closed at 9:10 with Mary Southerland giving the farewell.

“ONE CALL NOW” PROGRAM

Mt. Healthy #365 has adopted the “One Call Now” telephone notification system. Should you choose, you can receive reminders about meetings and updates on the latest happenings at your Chapter by receiving a recorded telephone message. All you need to do is provide your name and telephone numbers to an officer of Mt. Healthy. Your number will not be sold or given to anyone else.

When you receive a message you will hear a musical tone. And since McMakin Lodge is hosting our account, you will hear “Hello, this is a message from McMakin Lodge”, followed by the message. Should you no longer wish to receive the messages, it will be easy to opt out.

If you would like to be a part of this program, please let your Secretary know and your name will be added to this list.
