GOING WHOLE HOG

Meaning: Doing something wholeheartedly

Origins: One popular theory is that in the early nineteenth century, a "hog" was slang in the United States for a ten-cent piece. Someone willing to spend an entire ten cents would be spending the whole hog or going all out.

OLD WINTER

By: Judith Benet Richardson

Old snow
Long underwear
Dirty shoes and boots

Will it ever end?
I will stay inside
Never see the sun
Too cold
Everyday it snows alot
Remember Spring is on its way!
