November 10 Stated Meeting
28 present

The stated meeting of Mt. Healthy opened in long form. WM Libbey welcomed everyone during the

glorious Christmas season and read a story about a Tablecloth.

Recognitions were given to Drusilla Giles, Grand Representative of Wisconsin in Ohio; Dori Hanon & Peggy Furr, Grand Pages to Grand Conductress; honored masons, Past Matrons & Past Patrons of Mt. Healthy and former grand appointments. A very special welcome to Larry Hale, all the way from Florida.

The sunshine was taken designated for Ed's Kids, minutes of the November 10 meeting & November 21 Installation were read. Treasurer's report was filed for audit and bills were ordered to be paid. Two new petitions were received and referred to the Investigating Committee and two other petitions were voted on and were elected to receive the degrees of our order.

The 2010 officers portrayed their ritualistic work in such an impressive manner for our new candidates. All members repeated the obligation with our candidates as this was re-obligation night.

Correspondence took its usual course. Committee reports were given and announcements were given of upcoming events. Our Altar was draped and Resolutions of Respect were read for our sisters and brother who passed away.

By-law committee reported on the by-laws that are necessary to amend. PLEASE READ THE ENCLOSED LETTER WITH FULL EXPLANATION. These amendments will be voted on at our stated meeting January 12.

Benevolence Committee chairperson Carolyn Push reported on members whose dues were remitted due to hardship on their family. Secretary reported on the members who were suspended for non-payment of dues.

The Cond. & AC jewels were passed down to their respective officers. The AM jewel could not be passed down since it has been missing for 2 years. WP Philip signed Mt. Healthy's memory book. Birthdays & anniversaries were recognized with a gift from our Worthy Matron. Larry Hale & Betty Engle's names were drawn from the basket for the attendance award and received a lovely gift from our Worthy Matron.

Chapter closed and all retired to the dining room decorated for Christmas. All enjoyed delicious

goodies prepared by our Past Matrons and playing a funny game prepared by our WM Libbey.

Happy as a Clam

Meaning: Very happy, secure

Original version: Happy as a clam at high tide

Clams are dug at low tide when they are exposed. The water level at high tide conceals the clams in their sandy beds which makes it difficult to pluck them from their homes. We can assume that a clam would feel quite secure and happy at high tide.
